

I'm done. I need to go to bed  
for the 5<sup>th</sup> to last time. I can't stand  
relying on people. Makes you feel  
like you don't even fucking matter.  
seriously, Laura. 2 1/2 months  
and ~~that~~ not even 85% of the  
VO recorded/sent? You're  
worthless. Good fuckin  
night!
