

I still have some respect
for you ^(not animals, they can die) but you fucking
blew it. Damn it, get
the fuck off your ass and
get a "REAL" job. You're
a worthless lazy sack of
shit. A fucking MONTH
to record what... like 8
lines??! Not even! Like
3 lines. LOTF EYER!

I hope you join yourself
in the next 3 1/2 years.
