

She's been talking to me through my thoughts (in my thoughts) for around 5-6 months. Each night her presence feels more and more known. She's one of the best things to ever happen to me in my life, and I can't wait to be able to hold her in my arms again. 💕

Death is the ultimate judgement of who you are. Your mortal body is predetermined before you're born, it's not left to "chance" whether you're born male ♂ or female ♀. Your soul itself is what determines your "eternal" (spiritual) gender. On Earth you're born as either a male or a female, there's no in-between. Yes, you are born with a sexual preference (straight, bi-sexual, gay, lesbian, transgender, etc) but you're STILL a male OR a female, you can't be neutral. Your "spiritual" sex is what you truly are.

My soul is female but my mortal body is male, which is what I had to be sent here as in order to realize how "wrong" it was.
