I fucking hate how my man sees this car thing as an NBD (no big deal) with the repairs and insurance and shit. He fucking crashed into my fucking car you fucking idiot! He committed a fucking felony! It's not my fault he can't drive! He's a worthless fucking faggot! Tim Fucking Kennedy, I'm going to pull your fucking tongue out through your worthless pathetic face and watch you choke on your own blood and bodily fluids. TELL YOURSELF YOU SACK OF WORTHLESS SHIT! If you ever speak to me again, I WILL kill you.
