

Tuesday, April 25<sup>th</sup>, 2017

Today was the nail in the coffin. It's all over now. I let my fate come down to a coin flip. Heads → suicide at home Tails → supermarket shooting. Best of 3 (3 tails, 2 heads). It came down to the final toss! So I just bought another Mossberg 500 online for a backup; this one is the exact same as my first one only it's an 18 1/2 in barrel as opposed to 20. ohhhh I can't fuckin' wait. It won't be long now. I'm setting it in stone, either June 7<sup>th</sup> or June 9<sup>th</sup>, or June 14<sup>th</sup>. That's the ballpark area we're looking at here. There's no turning back... June 9<sup>th</sup> would be easiest.

### Potential Fatalities (All Possibilities)

- Brian (number one target)
- Christian (probably spelled wrong, whatever)  
(impossible to miss; weighs like 300 lbs)
- Victoria (easy target; probably will just wound)
- Floor Guy (if paths cross) reserves to suffer  
(worthless fuck who should be burned alive).

### Other weapons

- Floor Guy's propane tank  
(Shoot at from considerable distance)

### GOAL

- Execute at least one
- Make my mark
- Scare the world
- Be in Aisle 1
- Have fun
- AB
