

I'm fucking fast but finding two people would be a bitch. It's all up to fate; I could plan this for 45 years and still have something unexpected happen. Haha, could you imagine me as a 70 year old? No, ~~no~~ FUCK THAT!

If it's possible I'd love to meet dead celebs. Freddie Mercury, John Lennon, George Harrison, Elvis Presley (might be alive ~~h~~), Kevin Dubrow, Wes Craven, Ryan Dunn, Robin Williams, Leslie Nielsen, Janis Joplin, Eric Harris, Dylan Klebold, Adam Lanza, Lee Harvey Oswald, Timothy McVeigh, Rachel Scott (Columbine victim). I'm probably forgetting some fave's but that's all I have for now. Gotta get some sleep. Good night.
