Philosophy:

My belief is that if I say something, it goes. I am the law, if you don't like it, you die. If I don't like you or I don't like what you want me to do, you die. If I do something incorrect, oh fucking well, you die. Dead people cant do many things, like argue, whine, bitch, complain, narc, rat out, criticize, or even fucking talk. So thats the only way to solve arguments with all you fuckheads out there, I just kill! God I cant wait till I can kill you people. Ill just go to some downtown area in some big ass city and blow up and shoot everything I can. Feel no remorse, no sense of shame. Ich sage FICKT DU! I will rig up explosives all over a town and detonate each one of them at will after I mow down a whole fucking area full of you snotty ass rich mother fucking high strung godlike attitude having worthless pieces of shit whores. i don't care if I live or die in the shootout, all I want to do is kill and injure as many of you pricks as I can, especially a few people. Like brooks brown.

America:

Love it or leave it mother fuckers. All you racist (and if you think im a hypocrite, come here so I can kill you) mother fucking assholes in America who burn our flags and disgrace my land, GET OUT! And to you assholes in iraq and iran and all those other little piece of shit desert lands who hate us, shut up and die! We will kick your ass if you try to fuck with us or atleast I will! I may not like or government or the people running it or things like that, but the physical land and location I DO fucking love! So love it or leave it!

Society:

I live in denver, and god damnit I would love to kill almost all o
